

# About our Ornaments

Crafted by New England Ornaments, these tear-drop shaped ornaments are a clear optical glass with beveled edges. The engraving, done on the back of the glass appears a frosty white. The front remains smooth and has a three dimensional appearance.

Personalize your ornament with the name of a loved one and a date of significance inscribed.

The ornament measures 3<sup>3/4</sup>" tall x 2<sup>3/4</sup>" wide. It is tied with a satin ribbon (color of your choosing) and comes in a dark silver gift box with a navy flocked cardboard platform displaying the ornament. A memorial card is also enclosed.
