Proceeds from the annual Naylor & Breen Open will benefit the hospice program offered to the community through the VNA & Hospice of the Southwest Region (VNAHSR).

Hospice provides comfort and support for people of all ages who are facing a life-limiting illness, wherever they call home. Hospice focuses on care, and addresses the patient's physical, emotional and spiritual well-being, treating the whole person, not just their disease.

VNAHSR is a non-profit, Medicare-certified home health and hospice agency delivering a wide range of advanced medical care with compassion, dependability, and expertise to people of all ages. **We thank you for your support!**
