Dinners with Love
is a service offered through our Hospice Program at the
VNA & Hospice of the Southwest Region.

**Our Hospice Volunteers work with local restaurants
to bring food and comfort to hospice patients
and their families.**

Putnam Block: 335 Main St. Office C | Bennington, VT 05201 | 802-442-5502

How does it work?

Our partner restaurants decide how many meals they are able to give—two meals every week or every other week. We contact our restaurants on Thursday mornings to place an order for two meals. Later in the afternoon, between 3 and 5:30 p.m., a trained volunteer driver picks up the meals and delivers them to our clients in their homes.

Recognition Benefits

By donating meals through the Dinners With Love program, you will help lift the spirits of hospice patients and their families in your community. To recognize your kindness and generosity, VNA & Hospice of the Southwest Region will include your restaurant in several of our marketing and outreach materials. These include, but are not limited to:

- social media posts thanking you for your participation in the program
- an announcement in our company newsletter
- an annual advertisement in at least one of your area's major newspapers

You will also receive an annual receipt of meals donated for tax purposes.
